Translated letter of Rovina Doopad (No.1182)

My dear sponsor,

Loving regards to you. I am your sponsor daughter Rovina. How are you? Hope all are keeping fine. I am fine here by the grace of Almighty and by your prayers. Thank you very much for your generous help and concern towards me. May God continue to bless you and your family members with happiness and good health.

I am glad to inform you that during this academic year I enjoyed my school days. In our school there were several programmes. I actively participated in various activities. I have many friends in the school. My annual exam is over and I am promoted to 8th standard. I spent my holidays with my family members. I enjoyed the summer holidays for two months. Now our holidays are over and I am glad to go back to the school.

We are very much grateful to you for all the help you have given me for my studies. My family members have conveyed their good wishes to you. We always remember you in our daily prayers and I will never able to forget your great help. I end this letter with lots of love.

Yours Lovingly, Rovina Doopad.
